## ABOUT CMSC . . .

The Chicago Metropolitan Ski Council (CMSC) is an association of 66 member clubs which offer downhill and nordic skiing, boarding and year-round activities. We are adventure clubs, singles clubs, family clubs, and clubs that welcome all comers.

CMSC, founded in 1957, is managed entirely by volunteers who are members of our clubs. Our publication, the *Ski & Ride Club Guide*, and our website provide information on Club and Council activities. Our aim is to promote skiing and boarding.

CMSC member clubs have trips planned to almost every major destination in North America and Europe at various times throughout the year. Please visit their websites to learn more about them and their activities.

## SEWASP

SEWASP (pronounced "see-wasp") provides adaptive alpine skiing and snowboard lessons for people with disabilities in southeastern Wisconsin and surrounding areas. "Adaptive" refers to the modified equipment and teaching techniques used to enable skiers and snowboarders to participate safely and as independently as possible.

SEWASP is a volunteer ski and snowboard teaching organization. It is a community effort of our participants, dedicated volunteers, generous sponsors, and the University of Wisconsin - Milwaukee (UWM.) SEWASP is a chapter of Disabled Sports USA (DSUSA) and a proud member club of the Chicago Metropolitan Ski Council.

SEWASP is recruiting instructors and other volunteers for this year's 2016-2017 ski and snow-board

season. Dry-land clinics will be held Thursdays in October/November. On-snow clinics will be held in December. Lessons begin the first or second Thursday after New Years (January 5, 2017). Please contact us if you are interested. Please call (414) 533-7234 or visit our website (www.sewasp.org) for information about adaptive ski and snowboarding lessons, and to get information about volunteering. Reservations are required for lessons.

The American Blind Skiing Foundation (ABSF) is an educational skiing program, open to any blind or visually impaired person. The ABSF provides both physical and psychological therapeutic value.

ABSF is committed to serving blind and visually impaired people of all ages by offering activities that build confidence and independence in a comfortable supportive setting. These positive experiences can last a lifetime. Having the spirit and fortitude to overcome the daily challenges of life is difficult enough if you have sight, but for the blind, those challenges can be overwhelming. Confidence in oneself is needed. *The American Blind Skiing Foundation* helps build that confidence.

Volunteers are the heart and soul of ABSF. From the president and board of directors to the ski guides and drivers who transport our blind and visually impaired members skiers to the slopes ... ABSF has touched many lives and has grown throughout the years, thanks to our members, volunteers and their passion to share the sport of skiing and snowboarding!

If you are interested, please call them at (312) 409-1605 or drop them an email at [absf@absf.org](mailto:absf@absf.org). You can also visit their website at [ABSF.org](http://ABSF.org).

# TETON GRAVITY RESEARCH - FREE MOVIE SCREENING

In 1995, Steve Jones, Todd Jones, and Dirk Collins pooled money they had earned as commercial fishermen and heli-ski guides to purchase camera equipment. Joined by longtime friend Corey Gavitt, they banded together to document the progression taking place in action sports. Soon, Teton Gravity Research was founded, dedicated to showcasing the world's top athletes. From its headquarters in Jackson Hole, Wyoming, TGR began producing premier ski, snowboard, and surf films. Over 20 years and thirty-two films later, the company continues to evolve.

While continuing to produce award-winning films, TGR now connects with fans across the world through its film tours, television series, merchandise, and website, which serves as a leading destination and community for action sports content. TGR has remained committed to its roots as an athlete-driven company. TGR partners with many of the world's top athletes - such as Jeremy Jones, Sage Cattabriga-Alosa, Ian Walsh, and Angel Collinson - to push boundaries and re-imagine what is possible.

Now TGR is celebrating it's 21st birthday in style. They're hosting a FREE showing of their newest film, brought to you by Crested Butte, CO. Join fellow enthusiasts November 9th for the Chicago premiere of "Tight Loose" at Chicago's House of Blues. Watch this amazing movie, score a free lift ticket to Crested Butte (TGR Sponsors), and get a chance to win some epic prizes. Register in advance at [tetongravity.com/win](http://tetongravity.com/win) and select the Chicago showing. You'll also be eligible for a VIP upgrade thanks to North Face VIPeak Rewards program (includes reserved seats, drink tickets, swag bags and more.)

# WARREN MILLER RELEASES 67<sup>TH</sup> MOVIE

*Here, There & Everywhere*, the 67th installment, brings the thrill of action snow-sports to enthusiasts everywhere. The world's most accomplished skiers and snowboarders scour the globe for untracked powder and the pursuit of adventure. Narration by Olympic gold medalist Jonny Moseley and on-screen interviews with the legendary Warren Miller deliver the nostalgia of skiing's roots and a zeal for discovering new terrain.

*Here, There & Everywhere* opens the door to showcase a progressive side of snow-sports, from fat biking, backcountry snowmobiling and hill-climb racing (featuring Polaris pro Keith Curtis) to dog-sledding and the ever crowd-pleasing pond skimming. And, as with every

annual tour, the film awakens our desires to hit the slopes and sparks excitement for the coming winter season.

"This is a special year for Warren Miller Entertainment and the release of our 67th film, *Here, There & Everywhere*," said

Managing Director Andy Hawk. "For the first time in a dozen years, we are thrilled to return to the screen with the support and inclusion of the patriarch of winter stoke, Warren Miller. This year's project has been an incredibly rewarding opportunity for the athletes, film crew and staff who were able to work directly with him again."

The annual, nationwide Warren Miller Film Tour for *Here, There & Everywhere* kicks off in Salt Lake City, Utah, on October 14, 2016. The Chicago showing is at the Park West on October 28, at 6:30pm and 9:30pm. Tickets and other show locations can be found at [warrenmiller.com](http://warrenmiller.com).

# A SKI JUMP NEAR CHICAGO ?!?!?

Norge Ski Jumping club in Fox River grove is the oldest, continuously open ski club in the United States. As a matter of fact, much of the surrounding land once belonged to the club - that's why you'll find street names like "Ski Hill Road" and "Norge Parkway." Over the years, the club has sold land to pay for updates and improvements to the world-class ski jumping facility. The club was started in 1905 by a group of Norwegian men, most of whom lived in Chicago, but came out to Fox River Grove to ski jump. They soon began holding ski jumping exhibitions. Since then, the club has been an attraction for thousands of people from all over the Midwest who want to enjoy a day of jumping and fun in the sun. Jumping events are held in the winter and summer.

From the 1940's to late 1950's, Norge used to hold jumping events at Soldier Field, covering a custom built,

multi-story scaffolding supported ramp covered with crushed ice. Jumpers would thrill the crowds, speeding down the gigantic jump and flying across the field sometimes even through rings of fire.

One year, Norge even rented out Navy Pier in Chicago and set up a jump where the jumpers landed in Lake Michigan. Yet today, most people have no idea that there's a ski jump only a short drive from Chicago.

Kids of all ages can learn to FLY (Ski Jump) at the Norge state of the art training facility. Norge jumpers and staff continue to win national honors, including a recent sweep at the Junior Nationals.

### Upcoming 2017 events:

Jan 21-22, 2017 112th annual Winter Tournament

March 1-4, 2017 USSA Junior National Jump/Nordic Combined Championships

The Junior National athletes have earned their spots on their divisional teams by being the point leaders at the end of the winter season.

# CMSC Alpine Racing

**It's about fun, friends and challenging yourself.**

Yeah, I know it's only October!!! However, it will be winter before you even know it!!! Just because it's a little colder than it was back in August, you don't have to stay indoors all winter. Come on out and ski with us and try our Chicago Metropolitan Ski Council ski and snowboard racing league. It's a lot more active, fun, and social than sitting around and playing Fantasy Football! You can join one of our clubs, make some new friends and enjoy friendly competition. Almost everyone that competes with us would agree, it will make you a better skier as well.

When I first heard about this league, I thought I wasn't good enough to race. I'd seen ski racing on TV and thought I'm nowhere near good enough. Heck, I was at best what you would call an "intermediate" skier, looking forward to getting back on skis after a few years off. I found myself competing against people who were at my level. I was having so much fun being back on skis and found that after every race, I was actually

getting better. Because I was racing against people at my ability level, I found that I was getting medals and an end of season award!

This year, we will be hosting seven Slalom races (races with close turning gates,) and seven Giant Slalom races (turns are farther apart,

great for beginner racers.)

We will even have a few Super G races where the turns are even farther apart, which means you're going to be going faster.

Our schedule is listed here - there are more details on our website. If you haven't raced with us before, your first race is on us! If you have kids under 12, they'll be racing for FREE all season on our Giant Slalom courses. Just remember your helmet, as it's required to race with us.

Eight of our races, 4 Slalom and 4 Giant Slalom/Snowboard, will be hosted at Wilmot Mountain, just a little over an hour away from Chicago. This has been our home race venue for many years and we are pleased to continue our relationship with their new owners! We have also scheduled three "away" race weekends this year. First, we will go to Ski Brule in the Iron Mountain region of Michigan. Second, we'll go up to Marquette Mountain in the Upper Peninsula of Michigan. For our final race of the season, we will go back to Ski Brule to race and enjoy our annual Winter Carnival!

Come ski and race with us!!! We'd love to see you enjoy this winter with us!!!
