

CMSC ASSOCIATE MEMBERS

Dear Ski Enthusiast,

We would like to invite you to become an Associate Member of the Chicago Metropolitan Ski Council.

Your membership will entitle you to:

- Preferred Vendor status
- Opportunity to make a presentation to our member clubs at a General Meeting
- Participate in advertising monthly discounts or specials to our member clubs via the CMSC eblast system
- Inclusion in our annual magazine *Ski and Ride Club Guide* in print and on our website
- Listing on our website skicmsc.com with a link to your website
- Opportunity to bid on CMSC trips - Invitation to the annual Ski Trip Seminar

Trip Seminar is held on the 2nd or 3rd Saturday in Oct., at the Sheraton Gateway Suites in Rosemont, IL close to O'Hare airport. Exhibitors spend the day with Ski Club Presidents and other club decision-makers to discuss and book up-coming trips and other activities.

The CMSC is one of the largest ski council organizations in the United States. We have over 60 member Ski & Snowboard Clubs, representing approximately 10,000 skiers, snow boarders and Nordic skiers from the Midwest region. Many of our clubs allow children and offer family memberships. Additionally, we have over 40 Industry Associate Members, like yourself.

We are a not for profit, umbrella organization for various ski, bicycle and recreational clubs, formed in the Winter of 1957. One of our first initiatives was to put on the first large ski show in Chicago back in 1958. Our on-going mission at the Council is to promote, support and further the general interest in skiing and summer activities as well as to develop camaraderie within the sport.

Annual dues are \$75 or \$200 for a consecutive three-year membership. Our memberships are available throughout the year, but certain time constraints apply to be listed in our *Ski & Ride Club Guide* magazine.

Please fill out the form completely so you and your company information can be listed accurately in the magazine and on the Chicago Metropolitan Ski Council (CMSC) website.

It is difficult to condense all the benefits of the CMSC, so feel free to contact any of our Board members to answer your questions or needed information.

Trip Seminar:
