

ABOUT JOINING CMSC

Dear Ski Enthusiast,

Your Club membership is appreciated and contributes to supporting all CMSC functions.

Annual Club dues are \$40 (July 1 – June 30)

Each Club is given access to the CMSC online promotional area, where you can enter your Club profiles, trips and other activities for the public to view online. Some Club information that you entered into this area will be transferred to the *Ski & Ride Club Guide* magazine.

Club trips & activities need to be entered/updated in the CMSC online promotional area on a regular basis to be correctly listed in the *Ski & Ride Club Guide*. And, especially after your club elections, please pay particular attention that your contact information such as new or current Officers, Contact Person and Delegates are up to date in the CMSC online promotional area.

The Chicago Metropolitan Ski Council (CMSC) is one of the largest ski council organizations in the United States. We have over 60 member Ski and Snowboard Clubs, representing over 7,500 skiers, snow boarders and Nordic skiers from the Midwest region. Many of our clubs schedule bicycling, hiking & camping outings over the warm months and also offer family memberships. Additionally Associate Members, representing ski areas, lodging, tour operators, and ski shops to name a few.

We are a not for profit, umbrella organization for various ski, bicycle and recreational clubs, formed in the Winter of 1957. One of our first initiatives was to put on the first large ski show in Chicago back in 1958. Our on-going mission at the Council is to promote, support and further the general interest in skiing, snowboarding and summer activities and to develop camaraderie within the sport.

It is difficult to condense all the benefits of the CMSC, so feel free to contact us or come to our general meetings, held on the 2nd Tuesday of each month, starting at 8:00pm. We currently meet at Sawa's Old Warsaw Restaurant and Lounge, 9200 Cermak Road, Broadview, Il 60155 (708) 343-9040.

CMSC Board of Directors: please visit www.skicmsc.com, from the Main menu, select option "About CMSC" and then select "Board of Directors"
